

# No Turning Back

Words & Music  
by David Nettle

verse

I know that there's a place for me in hea-ven  
For I was born in - to a world of sin-ners  
He paid the price for all my faults to save me

But not be-cause of an-y go-od I've done  
And Lord knows I'm no bet-ter than - the rest  
A debt I sure-ly nev-er can - re-pay

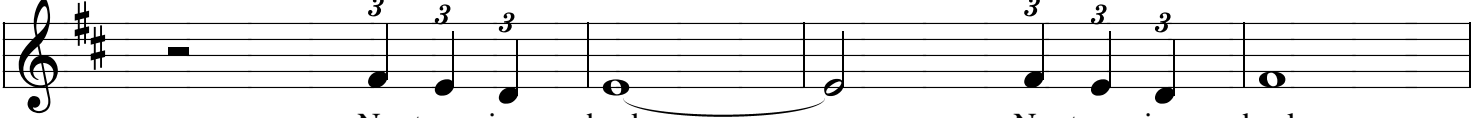

The bur-den of my sin was lif-ted from me  
But Je-sus love for me has bought my free-dom  
It seems to me the least that I can ven-ture

By the re-sur-rec-tion of God's on-ly Son  
Thank heaven it's not my worth that stands the test  
Is to try to live more like him day by day

chorus
